

Point Grey - Art Opportunities

Siting constraints

Site Boundary

When considering the locations of sculpture, the following zones should be taken into consideration and unless strict conditions are met, the following zones are not appropriate for sculpture locations:

Building areas

Traffic movement zones
(Note: Trafficable artwork could be permitted in this zone)

Water easement zone
(Note: No elements with footings allowed within this zone)

Coastal Hazard Zone (Erosion zone at yr 2100)
(Note: No permanent installations can be considered within this zone)

Native Vegetation Zone
Protected vegetation

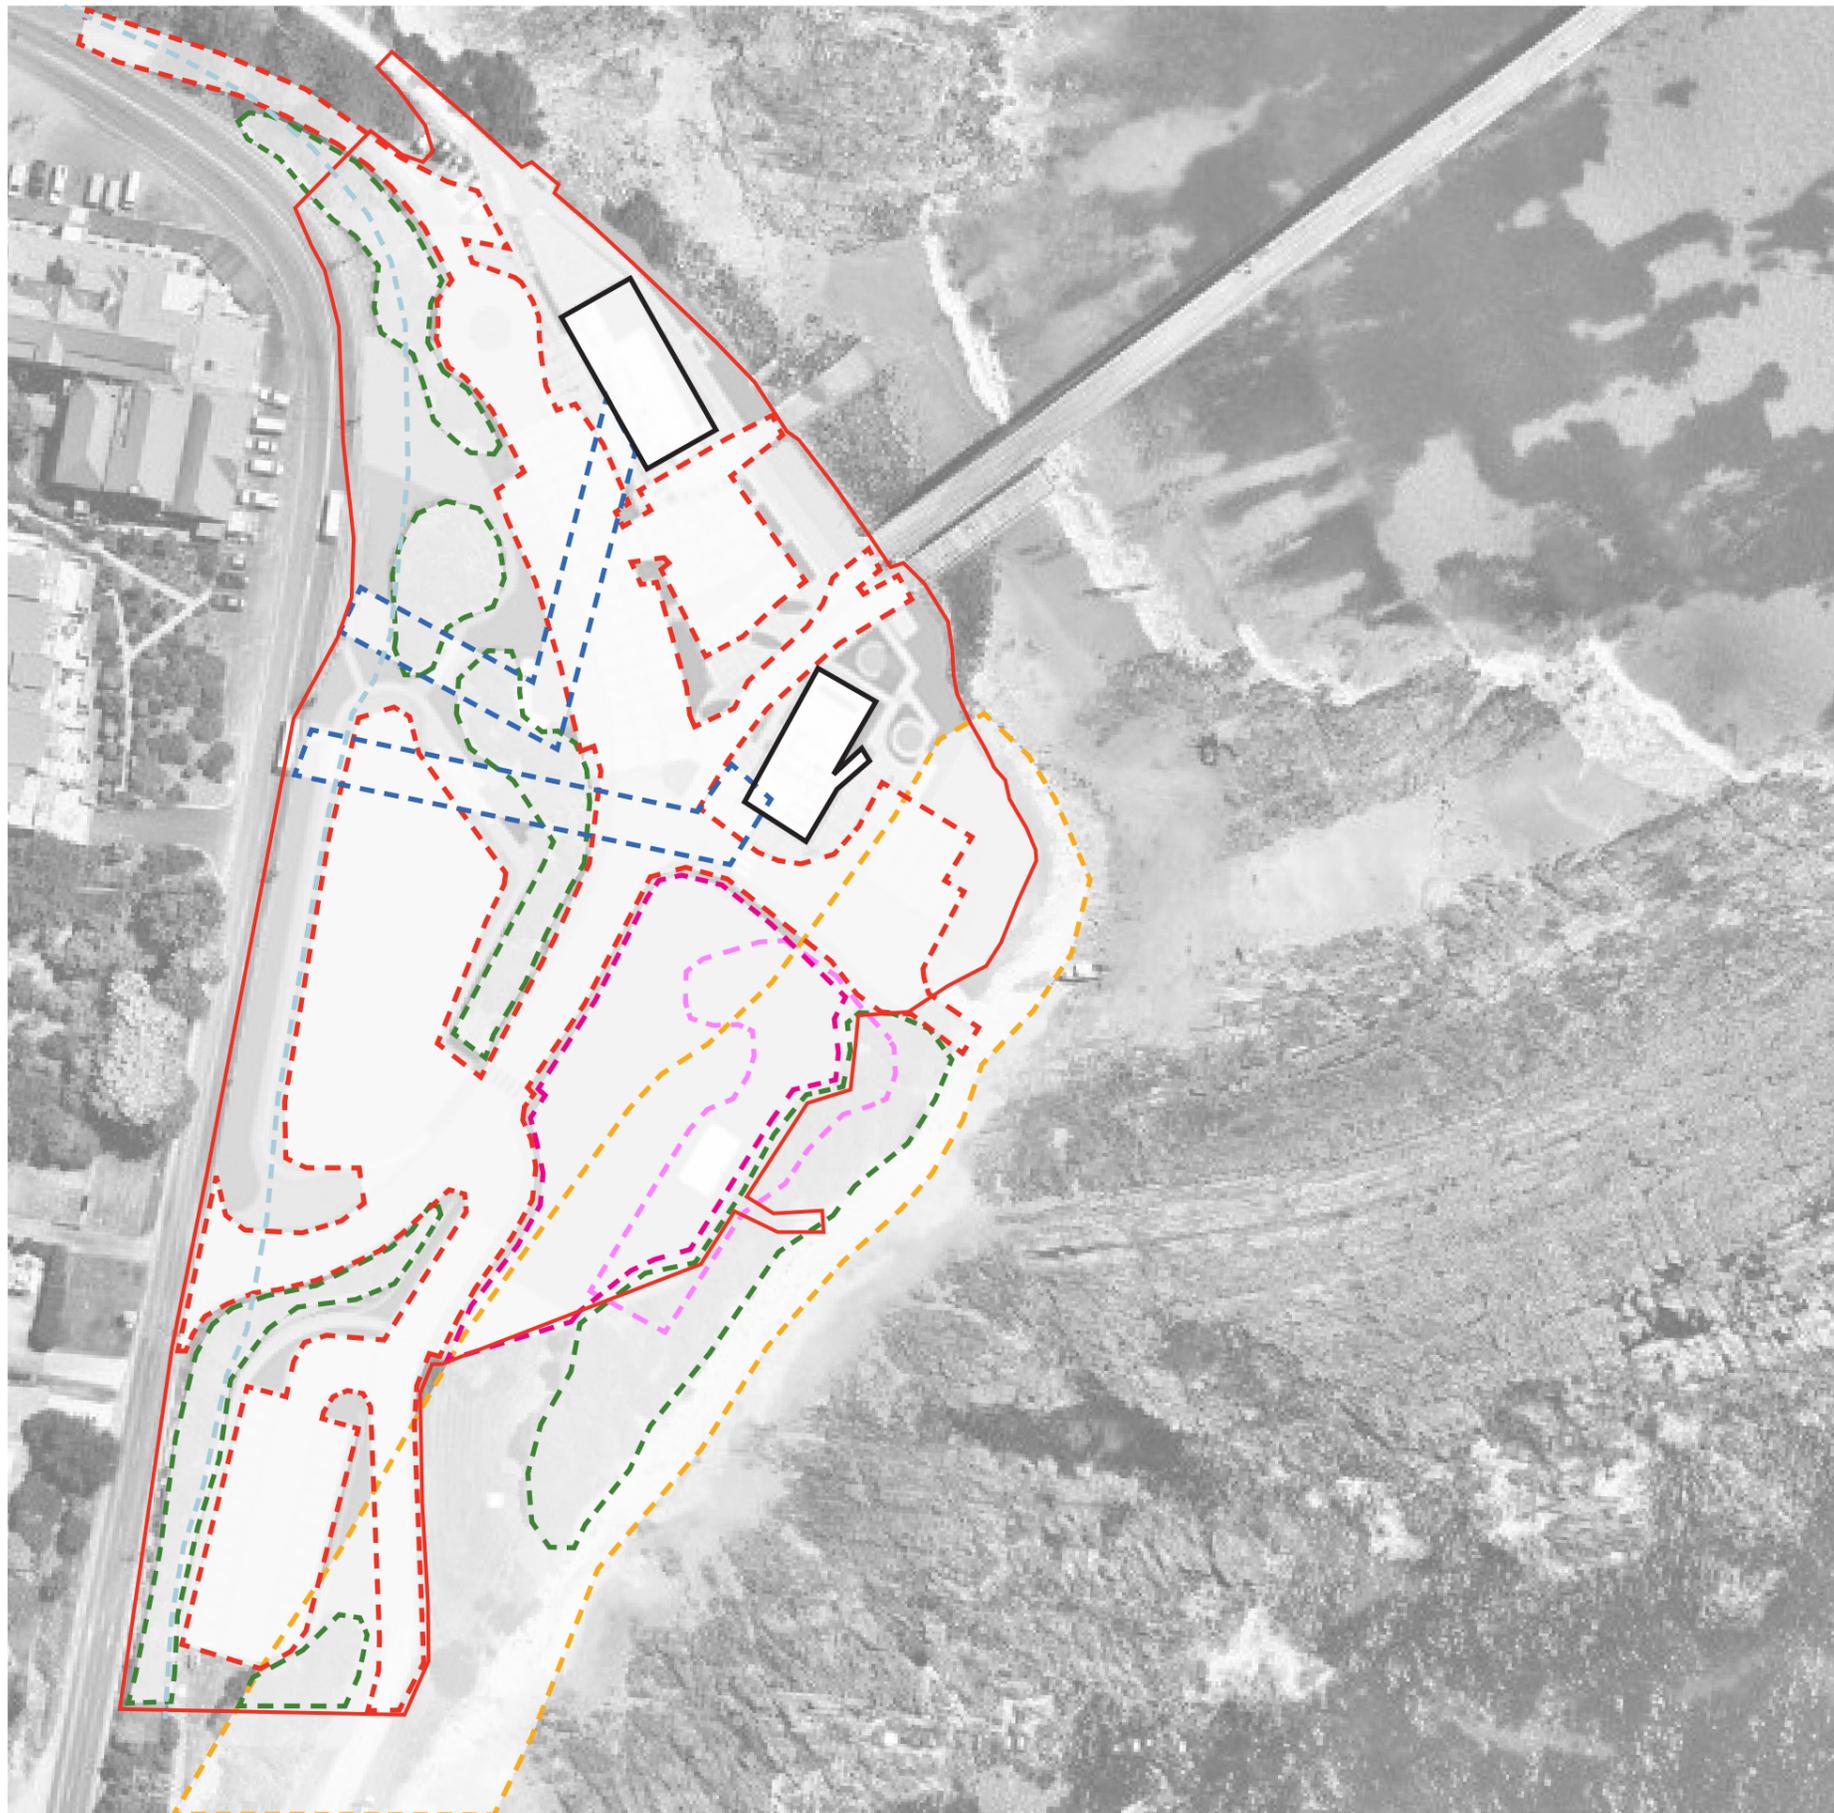

Harm Minimisation Zone
Exclusion zone

Gunditj Lorne Garden
Area reserved for future Aboriginal Education Garden

Great Ocean Road Safety zone
5m offset back from carriageway

Point Grey Redevelopment, Landscape plan, scale 1:1,000

Point Grey - Art Opportunities Preferred sites

Site Boundary

Building areas

Preferred sites for artwork
These include areas outside of overlays, easements or trafficable zones. The areas may be within proposed garden beds or within hard landscape.

* Heritage interpretation integrated into building design
